

Omega Red Group Ltd - Quality Policy

It is the policy of the Company to ensure that all work undertaken meets our customers' requirements. To achieve this, our Quality Management System provides a framework for establishing and reviewing quality objectives that allows us to continually improve the effectiveness of the system.

It is the responsibility of the Senior Management team to maintain and implement this system for controlling those activities for which they are responsible.

The Senior Management team is committed to continually monitoring the effectiveness of the Quality Management System to ensure customer satisfaction remains the main focus of our operations.

We believe that this commitment to quality is paramount in developing a culture of improvement and customer satisfaction.

Senior management will review this Policy at least annually to ensure its continuing suitability and effectiveness. They will also ensure that adequate resources are made available to meet the Policy commitments.
